The Magic of Magic

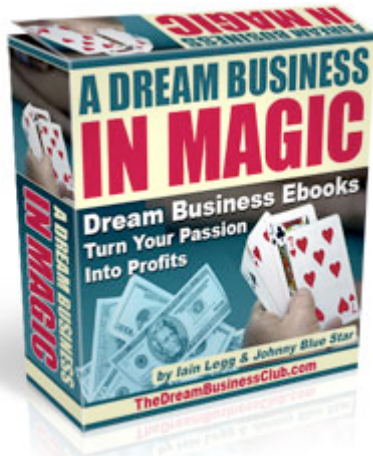

Dear Friend,

What is it about magic that has fascinated both young and old for centuries?

Every time you see someone performing magic tricks you just have to stop in your tracks to watch. Sometimes you want to learn magic so much, it hurts.

Dozens of curious onlookers begin to gather and they'll stare in amazement for hours as they rack their brains trying to solve the mystery behind each **mind-blowing illusion**. But you have asked yourself, do you have what it takes to really learn magic and make it work for you?

When you went to see the Illusionist and the Prestige, recent magic movies, you were the last one out of the theatre. In fact, you have never seen magic movies without seeing them at least twice. In fact, you saw the 1953 Tony Curtis and Janet Leigh Houdini, which you rented from Blockbuster, over six times.

No doubt, there are simple magic tricks and there are stupendous, complex magic tricks... But the one that separates a professional magician from an amateurs, is *the greatest trick of all* - **How to turn our passion into profits**, some magic hat where all these money-making secrets are conveniently stuffed.

- **Have YOU ever wanted to amaze a huge crowd with your breathtaking street magic?**
- **Do you ever dream of performing magic and helping a child have the best birthday party of his life?**
- **Have you ever wanted to perform incredible death defying illusions that have your audience gripping their seats?**
- **Or entertain exhilarated diners with your mind-blowing table magic?**

Want to turn your love of magic into a magical dream business?

Every day across the world, thousands of people are **starting their own business** and the best and probably the easiest way to make money is by doing something you love. Not only will your days be filled with fun and excitement, but **your passion will shine** through and make this dream business emotionally and financially rewarding.

So how can you turn your fascination in magic into a **fulfilling and profitable way of life**? And what type of magic should you start in? Where do you learn your tricks? and how do you start your own stage show?

More importantly...where do you find the answers to all these questions?! Where is that magic hat? Mabyit's-
